*Generating Assistance for Public Schools in
Clatsop, Columbia, Tillamook & Washington counties*

PRESS RELEASE

For immediate release November 2, 2011

The G.A.P.S. Foundation awards \$39,900 to public schools in Clatsop, Columbia, Tillamook, and Washington Counties

The Northwest Regional Education Service District's Foundation, The G.A.P.S Foundation, awarded forty nine grants today totaling \$39,900 for projects that directly affect special needs and at-risk students in public schools in Clatsop, Columbia, Tillamook, and Washington counties.

Since 2006, G.A.P.S. has awarded \$184,257 for educational projects that would not otherwise exist—making a difference in the lives of 27,447 students in local communities.

Support for the grants comes from the foundation's annual benefit auction. The 2012 event is sponsored by Northwest Evaluation Association (NWEA) www.nwea.org, and will be held April 19 at Portland Community College, Rock Creek Campus.

Grants are earmarked for projects, supplies, activities, technology, and/or curriculum that enhance classrooms, programs, and services in the following areas:

- At-risk Youth
- School-age Special Education
- Early Intervention/Early Childhood Education
- Outdoor Science School (Northwest Regional ESD)
- Vocational/Professional/Technical Programs
- ELL (English Language Learners)/Migrant Education
- Title VII Indian Education

See following pages for a complete list of the awards.

G.A.P.S. stands for Generating Assistance for Public Schools. The foundation provides financial assistance to the public school programs of the ESD and component districts by funding projects benefiting young children and students with special needs and those who are at-risk in Clatsop, Columbia, Tillamook, and Washington counties, Oregon. The Foundation is a fully qualified, nonprofit charitable organization. To learn more visit www.gapsfoundation.org.

\$2,500 JIM MABBOTT AT-RISK PROGRAM GRANT

Thanks to support from State Farm Insurance.

Shira Stamps-White, Tillamook Options Program School's Oregon Coast Youth Corps: Tools and supplies to support the program's environmental stewardship contracts. The work involves habitat restoration and recreation area maintenance projects for a variety of local agencies and community partners. (\$2,500)

G.A.P.S. MINI-GRANTS

Regional awards - impacting all four counties

John Jackson, Outdoor Science School: Scholarships to provide needy students in the four counties served by NWRESD with tuition so they can join their classmates at the spring 2012 session of Outdoor Science School. (\$1,000)

Brett Wonderlick, Audiologist: Software-based auditory assessment tool* to improve identification of students who are deaf and hard of hearing throughout the four-county region. This will result in increased access to education and overall positive educational experience (*Listening in Spatialized Noise - Sentences or LISN-S). (\$1,000)

CLATSOP COUNTY

PROGRAMS AND SCHOOL DISTRICTS

- NORTHWEST REGIONAL ESD

Heather Leader, Early Intervention/Early Childhood Special Education: Die Cut Machine to serve over 100 children in the ESD's programs in Clatsop County. The machine will allow teachers to quickly and easily create instructional materials for teaching early literacy and early numeracy skills to our students. (\$1,000)

- ASTORIA SCHOOL DISTRICT

Sandra McCollum, Astoria High School Special Needs Consortium classroom: Voice output devices for 13 students with very limited language skills. The devices will provide a measure of validation and a means of expression for students; promoting social interaction and participation, focus and shared attention, decreased frustration, and increased independence. (\$985)

- KNAPPA SCHOOL DISTRICT

Jan Johnson, Knappa Elementary: Books for the school's SOAR program (Support Our Active Readers) which helps students become confident readers through individual volunteer attention and new "take-home" books. (\$500)

- SEASIDE SCHOOL DISTRICT

Sarah Collins, Gearhart Elementary: Tuition for students to attend Outdoor Science School who otherwise could not afford to participate. (\$1,000)

Dorota Haber-Lehigh, English Language Learners: Supplies in support of English Language Learners (ELL). Material will be shared among five schools in the district (posters, flip charts, etc.). (\$520)

Jennie Wheatley, Seaside Heights Elementary: Easi-speak™ USB recorders and book sets with audio CDs to support struggling readers. (\$820)

- WARRENTON-HAMMOND SCHOOL DISTRICT

Betsy Mahoney, Warrenton Grade School: Tuition for students to attend Outdoor Science School who otherwise could not afford to participate. (\$1,000)

COLUMBIA COUNTY
PROGRAMS AND SCHOOL DISTRICTS

- NORTHWEST REGIONAL ESD

Laney Coulter, Early Intervention/Early Childhood Education: Fencing for outdoor play area at the ESD's special needs preschool in St. Helens. (\$800)

- CLATSKANIE SCHOOL DISTRICT

Yolanda Brackman, Clatskanie Elementary: Banners, supplies, and rewards for the HUGS (Hello, Update and Goodbye), and Positive Behaviors Intervention Support (PBIS) programs (\$1,000).

- RAINER SCHOOL DISTRICT

Lauri Kash, Hudson Park Elementary: Funds for students to produce a video titled, "Be Safe, Be Responsible, Be Respectful", which will be used to show the school's youngest and more challenged students what positive behavior looks like. (*Positive Behavior Intervention Supports - PBIS - is widely used to promote healthy social skills and to address children's problem behaviors*). (\$500)

- SCAPPOOSE SCHOOL DISTRICT

Dixon Kirsch, Scappoose School District Speech/Language Services: Equipment (laptop computer and other supplies) to develop telecommunication/virtual technology to visually and audibly link speech/language specialists with children across distances of several miles. The outcome will be increased instructional time with students and decreased travel time and cost. (\$540)

Valerie Helm, Scappoose High School Special Education: Equipment to support literacy for students with autism and reading disabilities (text reader pens, Dragon Naturally Speaking™ II software, and recorder). (\$656)

- ST. HELENS SCHOOL DISTRICT

Joe Mauck, St. Helens High School: Tools for St. Helens High Building Construction class. (\$1,000)
~ With special thanks to State Farm Insurance for their support.

Liz Trasciatti, St. Helens High School: Pedometers and healthy choices curriculum books and DVD. (\$926)

- VERNONIA SCHOOL DISTRICT

Deborah Stahlnecker and Gienah Cheney, Washington Grade School: Technology to support student literacy that will be shared between Title I and the Learning Resource Room at Washington Grade School (eReaders, e-books, text-to-speech software). (\$1,500)

TILLAMOOK COUNTY
PROGRAMS AND SCHOOL DISTRICTS

- NORTHWEST REGIONAL ESD

Helen Armstrong, Early Intervention/Early Childhood Education: Fencing materials for the ESD's special needs preschool located in Wilson School in Tillamook. (\$800)

Tina Weeks, Early Intervention/Early Childhood Special Education: Gym mat for the ESD's special needs preschool at the Wilson School. Students will utilize the new space to swing, ride trikes, run, and play in both large and small group activities. (\$500)

- NEAH-KAH-NIE SCHOOL DISTRICT

Jim Cox, Neah-Kah-Nie Middle School: Lumber and supplies for woodworking projects for eighth grade students to have the opportunity to create and construct a project during a seven-week Woodshop Exploratory class taught by the high school construction trades teacher. (\$1,000)

- NESTUCCA VALLEY SCHOOL DISTRICT

Gordon Whitehead, Nestucca Valley Jr./Sr. High School: Supplies in support of native plant arboretum on the campus of Nestucca Valley Jr./Sr. High School (rain gear, wheel barrows, tools, plants, retaining wall lumber, and herbarium supplies). (\$1,000)

John Elder, Nestucca Valley Jr./Sr. High School: Material to construct a shot-put pit to allow more students to participate. (\$1,000)

- TILLAMOOK SCHOOL DISTRICT

Joyce Hatton, Tillamook High School: Software to provide increased independence to students with language disabilities and physical impairments by no longer having to rely on others to dictate their assignments. (Intellitools Classroom Suite 4). (\$711)

Melinda Rumage, East Elementary School: Elmo Document Camera to increase ELL and special education students' comprehension of language through visual cues, group reading of text, and shared work samples. (\$585)

WASHINGTON COUNTY
PROGRAMS AND SCHOOL DISTRICTS

- NORTHWEST REGIONAL ESD

Amy Kelleher, Lifeworks NW Children's Day Treatment Program (CDTP): Sound deadening equipment for the facility's gym to enhance acoustics and lessen the echo for students with significant social, emotional, and behavioral disorders. This will allow students to access the space without exacerbating negative behaviors triggered by excessive auditory stimulation. (*CDTP serves children 3-11 years old. Educational services are provided by Northwest Regional ESD and therapeutic services are provided by Lifeworks NW.*) (\$1,000)

Barb Rice, Levi Anderson Learning Center: Two electric guitars with amps and headphones to fully equip the music class at the ESD's educational program at St. Mary's Home for Boys in Beaverton. (\$200)

Dr. Dean Longfellow, Cascade and Pacific Academies: Funds to support a 2012 Rose Festival Dragon Boat team for students with emotional, social, and behavioral needs in the ESD's program in Beaverton. (\$1,000)

Gayle Hernandez, Tualatin Early Childhood Center: Material to promote body awareness, sensory calming, and communication skills, which are fundamental for present and future learning for children in the ESD’s special needs preschool program in Tualatin. (\$175)

Jeanne Gering, Lifeworks NW Adolescent Day Treatment Program (ADTP): Ready-made science kits to provide hands-on activities that will better engage young children and students with significant social, emotional, and behavioral disorders. *(ADTP serves children 12-18 years old. Educational services are provided by Northwest Regional ESD and therapeutic services are provided by Lifeworks NW.)* (\$500)

Jillynn Garcia, Cascade and Pacific Academies: Green house, rain barrels, and plant starts for the horticultural therapy program at the ESD’s at-risk school in Beaverton serving 300 students with emotional, social, and behavioral needs. (\$1,000)

Julia Pitcher, Teacher of the Blind/Visually Impaired: GPS Trekker Breeze for a deaf/blind student to be able to navigate in the community safely and independently, both while walking and taking public transportation. (\$955)

Karen James, The Positive Advancement Center of Education (PACE): Portable partitions for the classroom and common areas to protect other students from disruptive behaviors and provide privacy and dignity for students who are in crisis. (*PACE serves students in grades 6-12 who are eligible for special education services under the handicapping conditions of mental retardation and emotional disturbance. Students are placed by the Department of Developmental Disabilities in residential treatment at Albertina Kerr Group Homes.*) (\$995)

Kathryn Shearer, Levi Anderson Learning Center: Science supplies, lab equipment, and experiment materials/chemicals to support the Fourth Annual Science Fair in the spring of 2012. Levi Anderson is located at the ESD's educational program at St. Mary's Home for Boys in Beaverton. (\$1,000)

Kellye Trant, Early Intervention/Early Childhood Special Education: Switch activated adapted toys for use with children who have significant physical limitations in the early childhood special education classrooms serving children in Beaverton, Banks, Forest Grove, Gaston, and Hillsboro. (\$400)

Lisa Taylor, Woodside Early Childhood Center in Beaverton: Material to develop a Positive Behavior Intervention Supports (PBIS) library at the preschool. The supplies will be used in conjunction with ongoing training to continue the implementation of PBIS for preschool children with special needs. (*PBIS is widely used to promote healthy social skills and to address children's problem behaviors.*) (\$900)

Lori Asada, Hillsboro Education Center (HEC): Gross motor equipment and supplies for preschool students with special needs at the ESD's facility serving children and families in Western Washington County in the areas of early childhood disabilities and autism (stairs, balance beam, rocking/bouncing horse, basketball hoop). (\$500)

Michelle Sparks-Smith, Hillsboro Education Center (HEC): Material to support Handwriting Without Tears (HWT), a pre-k handwriting curriculum that adheres to developmental principles to ensure success for special needs preschool children at the ESD's facility serving children and families in Western Washington County in the areas of early childhood disabilities and autism. (\$460)

Monica Barrett, The Positive Advancement Center of Education (PACE): Team sports equipment for the program for 50 high-risk students aged 9-18 with a wide range of intellectual and emotional disabilities that significantly impact their ability to learn. (*PACE serves students in grades 6-12 who are eligible for special education services under the handicapping conditions of mental retardation and emotional disturbance. Students are placed by the Department of Developmental Disabilities in residential treatment at Albertina Kerr Group Homes.*) (\$1,000)

Sharon Meeuwesen, NWRES D Long Term Care & Treatment Programs: 30 protective cases to prevent damage to iPads used by the special needs students for social communication programs across four programs serving students from Washington County school districts. (\$1,000)

Vicki Clark, Vision Specialist: iPad and protective case to support 25 visually impaired students in acquiring visual attendance and hand/eye coordination skills. (\$700)

- BANKS SCHOOL DISTRICT

Tim Eggleston, Banks High School: Hydroponic equipment for growing fruits and vegetables year-round in school greenhouse. (Hydroponics is a method of growing plants using mineral nutrient solutions in water, rather than soil.) (\$1,000)

- BEAVERTON SCHOOL DISTRICT

Christine Morris, Highland Park Middle School Special Education: Hand-held magnification device (Ruby®), for a visually impaired student with a form of macular degeneration (Stagardt's Distrophy). (\$545)

- FOREST GROVE SCHOOL DISTRICT

Jill Hertel, Forest Grove High School: Sets, costumes, and advertising posters for a Unified Theater production. Unified Theater combines students with and without disabilities who practice and perform a play together, providing youth with disabilities the opportunity to participate in the arts. (\$1,000)

Alexandra Thomas, Cornelius Elementary School: Power adapters for augmentative communication devices. (\$132)

- GASTON SCHOOL DISTRICT

David Beasley, Gaston Elementary School: Vocal amplification technology to assist all students to clearly hear the voice of the teacher and better understand the tasks and directions – benefiting both hard of hearing students, as well as those with attention deficit difficulties. Sixteen percent of Gaston students currently have some disability. (\$1,000)

- HILLSBORO SCHOOL DISTRICT

Marie Kolstad, Free Orchards Elementary School: Tuition for students to attend Outdoor Science School who otherwise could not afford to participate. (\$1000)

- SHERWOOD SCHOOL DISTRICT

Patina Fieken, Hopkins Elementary School: Team sports equipment for students in the ELL program, giving them an opportunity to play on a team, and be exposed to physical activities they are not typically a part of. (\$600)

- TIGARD-TUALATIN SCHOOL DISTRICT

Carrie Leander, Tualatin High School: Tracker Pro® to help student with significant orthopedic impairment. The Tracker Pro® is a computer input device that takes the place of a mouse for people with little or no hand movement. (\$995)
